

## **Teaching Reading Sourcebook, Second Edition (2008)**

by Bill Honig, Linda Diamond, and Linda Gutlohn

Arena Press

<http://www.sourcebookcompanion.com>

**CORRELATED TO**

## **The International Dyslexia Association (IDA) Knowledge and Practice Standards for Teachers of Reading (2010)**

<http://www.interdys.org/standards.htm>

**A. Foundation Concepts About Oral and Written Learning**

- The Big Picture
  - Sources of Reading Failure, 3
  - Essential Components of Reading Instruction, 7-10
  - Downward Spiral of Reading Failure, 13-14
  - Academic Language, 14-16
  - Differentiated Instruction, 16-17
  - English Language Learners (ELLs), 17-18
- Section II: Early Literacy, 69-70
- Chapter 5: Phonemic Awareness, 116; 122-123
- Section III: Decoding and Word Study
  - The Road to Reading Words, 161
  - The Adams Model of Skilled Reading, 162-163
  - Ehri's Phases of Word Recognition Development, 163-167
  - Decoding Is Connected with All Aspects of Reading, 167
- Chapter 6: Phonics, 183; 190-191
- Section IV: Reading Fluency
  - Fluency Influences, 323-325
  - Variables that Explain the Differences in Reading Fluency, 324
- Section V: Vocabulary
  - Forms of Vocabulary, 408
  - The Vocabulary Gap, 412-413
  - Links Between Vocabulary and Comprehension, 414
  - Instruction for English-Language Learners (ELLs), 418
- Section VI: Comprehension
  - Comprehension Builds Upon . . . , 609
  - Connecting to World Knowledge, 618-619
  - Instruction for English-Language Learners (ELLs), 631

**B. Knowledge of the Structure of Language**  
PHONOLOGY

- Chapter 1: Structure of English
  - Phonemes, 22-23
  - Consonant Phoneme Classifications, 24-25
  - Vowel Phoneme Classifications, 26-27
- Chapter 5: Phonemic Awareness
  - Blendable Sounds, 121

**B. Knowledge of the Structure of Language**  
ORTHOGRAPHY

- Chapter 1: Structure of English
  - Sound/Spellings, 28-35
  - Syllables, 36-47
- Chapter 6: Phonics
  - Elkonin Boxes with Letters, 188, 214
  - Word Sorting, 187-188,
  - Sound-by-Sound Dictation, 219-220
- Chapter 7: Irregular Word Reading, 242-245
  - Lesson Models, 252-257
- Chapter 8: Multisyllabic Word Reading
  - Syllabication, 261-262
  - Syllable Types and Division Principals, 263-265
  - Lesson Models, 276-303
- Chapter 13: Word Consciousness
  - Word Histories and Origins, 576-577

**B. Knowledge of the Structure of Language**  
MORPHOLOGY

- Chapter 1: Structure of English
    - Morphemes, 42-43
    - Most Frequent Prefixes and Suffixes, 44-45
    - Common Latin and Greek Roots, 46-47
- (continued on next page)*

**B. Knowledge of the Structure of Language**  
MORPHOLOGY *(continued)*

**B. Knowledge of the Structure of Language**  
SEMANTICS

**B. Knowledge of the Structure of Language**  
DISCOURSE ORGANIZATION

**B. Knowledge of the Structure of Language**  
SYNTAX

Chapter 12: Word-Learning Strategies  
Morphemic Analysis, 490-495  
Lesson Models, 521-540; 555-568

Chapter 12: Specific Word Instruction  
Developing In-Depth Word Knowledge, 430-431  
Lesson Models (word relationships), 470-477; 481-483

Chapter 13: Word Consciousness  
Language Categories, 572-573  
Figurative Language, 574  
Lesson Models, 588-594

Chapter 12. Word Learning Strategies  
Contextual Analysis, 498-500  
Lesson Models, 541-554

Chapter 14: Narrative Reading  
Recognizing Story Structure, 636  
Lesson Model, 651-658

Chapter 15: Informational Reading  
Informational Text Structure, 683-685  
Informational Text Structures and Signal Words, 683  
Recognizing Informational Text Structure, 687  
Summarizing (Main Idea), 693  
Lesson Models, 711-719

Not Applicable

**C. Knowledge of Dyslexia and Other Learning Disorders**

- The Big Picture
    - The Brain and Reading, 4-5
    - Downward Spiral of Reading Failure, 13-14
    - Differentiated Instruction, 16-17
  - Chapter 9: Fluency Assessment
    - Diagnosis of Dysfluent Reading, 335
  - Comprehensive Reading Model
    - Three-Tier Model, 744-750
    - Response to Intervention (RtI), 751-752
- 

**D. Interpretation and Administration of Assessments for Planning Instruction**

- The Big Picture
  - Reading Assessment, 10-12
- Chapter 9: Fluency Assessment
  - Assessment of ORF, 328-329
  - ORF Performance Expectations, 330-332
  - Prosody Assessment Rating Scale, 334
  - ORF CBM Assessment Guide, 339
  - Assessment Models (with case studies)
  - Assessment of ORF Rate and Accuracy, 340-348
  - Digital Graphing of ORF Scores, 349-354
  - Assessment of Prosodic Reading, 355-358
- Chapter 10: Fluency Instruction
  - Lesson Model (with case study)
  - Timed Repeated Oral Reading, 374-383
- Chapter 15: Informational Reading
  - Comprehension Assessment: Response Formats, 701

*(continued on next page)*

**D. Interpretation and Administration of Assessments for Planning Instruction**  
*(continued)*

**E-1. Structured Language Teaching**  
PHONOLOGY

Common Diagnostic Tests:

- Letter Knowledge, 95
- Phonemic Awareness, 127
- Phonics, 195
- Multisyllabic Word Reading, 271
- Reading Fluency, 339
- Vocabulary, 435, 505
- Comprehension, 701

Three-Tier Model of Instruction

- Assessment, 747, 749, 750

Chapter 2: Structure of Spanish

- English/Spanish Language Differences, 60-61
- Spanish/English Cross-Language Transfer, 62-63

Section II: Early Literacy, 69-70

Chapter 4: Letter Names

- Letter Names That Are Phonologically Similar, 87

Chapter 5: Phonemic Awareness, 116, 122

- Levels of Phonological Awareness (word, syllable, onset-rime, phoneme), 117-119

Phonological Awareness Skills by Level, 118-119

Effective Phonemic Awareness Instruction, 120-121

Lesson Models (rhyming, isolation, matching, identity, categorization, segmentation, blending), 128-158

Section III: Decoding and Word Study

The Road to Reading Words, 161

Decoding Is Connected to All Aspects of Reading, 167

**E-2. Structured Language Teaching**  
PHONICS AND WORD RECOGNITION

Chapter 6: Phonics

Systematic and Explicit Phonics Instruction, 170-171

Approaches to Phonics Instruction, 172-173

Explicit Phonics Lesson Sequence, 175

Effective Instructional Techniques, 176

Phonics Scope & Sequence, 177-178

Decoding Regular Words, 179-180

Blending Routines, 181-182

Automatic Word Recognition, 183

Decodable Text, 183-185; 235-239

Word Work for Encoding and Decoding, 187-189

Multimodal Lesson Models (format includes Review, Model, Lead, Check, Word Reading Practice for Automaticity, Apply to Decodable Text, Word Work), 208-239

Chapter 7: Irregular Word Reading

Teaching Irregular Word Reading, 246-247

Multimodal Lesson Models (format includes Introduce, Practice, Word Reading Practice for Automaticity, Apply to Decodable Text), 252-257

Chapter 8: Multisyllabic Word Reading

Syllabication, 261

Sequence for Syllable-Type Instruction, 262

Affixes as Syllables, 266

Flexible Syllabication, 267

Multimodal Lesson Models (format includes Review, Teach/Model, Guided Practice, Apply to Connected Text, Word Work, Word Reading Practice for Automaticity), see 272-318

**E-3. Structured Language Teaching**  
FLUENT, AUTOMATIC READING OF TEXT

**E-4. Structured Language Teaching**  
VOCABULARY

Section IV: Reading Fluency, 321-325

Chapter 9: Fluency Assessment

Assessment of ORF: Rate and Accuracy, 328-329

ORF Performance Expectations (Norms), 330-332

Diagnosis of Dysfluent Reading, 335

ORF CBM Assessment Guide, 339

Assessment Models:

Assessment of ORF Rate and Accuracy, 340-348

Digital Graphing of ORF Scores, 349-354

Chapter 10: Fluency Instruction

Independent Silent Reading, 361

Assisted Reading, 361-362

Repeated Oral Reading, 363-365

Choosing the Right Text, 367-369

When to Teach Fluency, 373

Lesson Models:

Timed Repeated Oral Reading, 374-383

Partner Reading, 384-390

Phrase-Cued Reading, 391-397

Chapter 15: Informational Reading

Motivation and Engagement with Reading, 695

---

Section V: Vocabulary

Components of Vocabulary Instruction, 407; 415-417

Extent of Word Knowledge, 409

The Vocabulary Gap, 412-413

Links Between Vocabulary and Comprehension, 414 *(continued)*

**E-4. Structured Language Teaching**VOCABULARY (*continued*)

Intentional Vocabulary Teaching, 415-416

Multiple Exposures in Multiple Contexts, 416, 601

## Chapter 11: Specific Word Instruction

Selecting Words to Teach, 421-426

Rich and Robust Instruction, 427-431

When to Directly Introduce Specific Words, 434

## Lesson Models:

Text Talk: Read-Aloud Method, 436-442

Meaning Vocabulary: Direct Explanation Method, 443-452

Method for Independently Read Text, 453-461

Semantic Feature Analysis, 474-477

## Chapter 12: Word-Learning Strategies

Dictionary Use, 488-489

Morphemic Analysis, 490-495; 501

Contextual Analysis, 498-500; 501

## Lesson Models:

Definitions, 506-520

Morphemic Analysis (Word Parts), 521-540; 555-568

Contextual Analysis, 541-554; 555-568

## Chapter 13: Word Consciousness

Adept Diction, 570-574

Antonyms and Synonyms, 572-573

Multiple Meanings (homographs, idioms), 572-574

## Lesson Models:

Antonyms and Synonyms, 588-591; 598-600; 481-483

Multiple Meanings, 580-583; 592-594

Repeated Encounters, 601-606

**E-5. Structured Language Teaching**

## TEXT COMPREHENSION

## Section VI: Comprehension

## Fundamentals of Comprehension

(Reader, Text, Activity, Context), 609-612

Reading Engagement, 612, 695

What Good Readers Do (Before, During, After), 613

Purpose for Reading, 611, 613

Monitoring Comprehension (Clink and Clunk), 615-617; 639, 688

Connecting to World Knowledge, 618-619; 640, 689

Predicting (Inferencing), 619, 640, 689

Recognizing Text Structure, 620

Questioning (Querying), 620-621; 637-639; 690-691

Constructing Mental Models, 622, 640, 692

Summarizing (Retelling), 622, 641, 693

Model of Explicit Strategy Instruction, 625

Scaffolding, 625-627

Graphic Organizers, 626

Contextualized Instruction, 628

Reader Response (Discussion and Writing), 629-630; 642-643; 694-695

## Chapter 14: Narrative Reading

Story Structure, 634-637

When to Apply Strategies (Before, During, After), 647

## Lesson Models:

Dialogic Reading, 651-658

Story Structure (Story Map), 651-658

TSI (Transactional Strategies Instruction), 659-676

Book Club: Writing in Response to Literature, 677-680

*(continued on next page)*

**E-5. Structured Language Teaching**

TEXT COMPREHENSION *(continued)*

**E-6. Structured Language Teaching**

HANDWRITING

**E-6. Structured Language Teaching**

SPELLING

**E-6. Structured Language Teaching**

WRITTEN EXPRESSION

Chapter 15: Informational Reading

Informational Text Structure (Graphic Organizers), 683-685

Considerate Texts, 686

Comprehension Assessment: Response Formats, 701

Lesson Models:

QAR (Question-Answer Relationships), 702-710

Strategies for Summarizing, 711-719

CSR (Collaborative Strategic Reading), 720-732

QtA (Questioning the Author), 733-738

CORI (Concept-Oriented Reading Instruction), 739-742

Chapter 4: Letter Knowledge

Letter Name Iconicity, 84-85

Letter Characteristics, 86-87

Use of Letter Names to Learn Letter Sounds, 88

Handwriting, 89-91

Multisensory Lesson Models, 96-113

Chapter 6: Phonics

Word Work for Encoding and Decoding, 187-189

Lesson Models for Word Work, 212, 219, 225, 230, 234

Section IV: Comprehension

Responding Through Writing, 630, 643, 695

Lesson Model, 677-680
